SAFETY DATA SHEET
BarChip Macro Synthetic Reinforcing Fibre

Important
Read this SDS before handling and disposing of this product and pass this information on to all users of this product.

Modified 12/4/2018 3:40 pm
Name of Product: BarChip Macro

1 Identification of the substance/mixture and of the company/undertaking
1.1 Company
BarChip Inc. Pty Ltd (Australia)
Ph: +61 1300 131 158
Fax: +61 1300 131 159
2/6 Qualtrough St
Woolloongabba, QLD, 4102

1.2 Product Identification
Product name: BarChip Macro
Chemical Family: Polyolefin
Emergency phone: +61 1300 131 158
Email: info@barchip.com
Contact: Geoff Sedgman

3 Hazards identification
Risk Phrases:
Not harmful to health or environment under normal use of product.
If material is heated up, may cause burns.

2 Composition / information on ingredients
2.1 Composition
Compositions given are typical values, not specifications.

Chemical formula: -(CH2-CH (CH3))n- or - (CH2-CH)n-
UN Classification: The product is not regarded as a hazardous item.

2.2 Information on Components
Hazardous component(s): None
SAFETY DATA SHEET
BarChip Macro Synthetic Reinforcing Fibre

4 First aid measures
Eye Contact: Rinse the eyes with clean water, then seek medical assistance.
Skin Contact: Rinse well with clean water.
Inhalation: Not expected to present a significant inhalation hazard. In case of breathing excessive, airborne dust, move people to a place with clean air. Seek medical assistance if required.
Ingestion: No specific treatment is necessary, however, in case of swallowing large amounts, vomit immediately, and seek medical assistance.

5 Fire fighting measures
Extinguishing methods: Stop the cause of the fire first, extinguish the fire using chemical foam.
                  Water spray around the surrounding area to cool down.
Extinguishing agent: Dry chemical, carbon dioxide gas, alcofoam or water spray.

6 Accidental release measures
Sweep up the product, store for disposal in accordance with section 13.

7 Handling and storage
Handling: Keep away from ignition sources. Avoid direct sunlight and keep indoors with good ventilation.
Storage: Keep away from heat or ignition sources.
         Don’t store near strong oxidising agent (halogen, peroxide, etc)

8 Exposure controls/personal protection
Acceptable density: Not specified by ACGIH 1995 version
Measure for facility: No specific measure required
Respiratory protective wear: Preferable to wear dust proof mask
Protective glasses: Preferable to wear protective glasses.
Protective gloves: Cotton gloves are recommendable
Protective clothes: Preferable to wear long sleeve wear
SAFETY DATA SHEET
BarChip Macro Synthetic Reinforcing Fibre

9 Physical and chemical properties
Appearance: Solid Body (short fibre or polypropylene)
Length: 42 mm
Specific gravity: 0.9 - 0.92
Boiling point: None (dissolves)
Steam pressure: None (solid body)
Melting point: 150 - 170 degrees Celsius
Solution degree: Water - not solutable
Stability / reaction: Stable under normal storage
Volatilisation: None

10 Stability and reactivity
Flammability: Combustible
Inflammable degree: 300 degrees Celsius
Ignition point: More than 450 degrees Celsius
Explosive limit: None
Ignition character: Natural ignition character / reaction with water: none
Oxidisation character: None
Self reactive: None
dusty explosiveness: None
Stability / reaction: By heat dissolution, it occurs CO, Co2 gas.
It reacts with strong oxidising agent

11 Toxicology information
Acute oral toxicity: No specific data on this matter is available, as there is no toxicity in the raw material.
Acute skin toxicity: No specific data on this matter is available, as there is no toxicity in the raw material.
Acute respiratory toxicity: No specific data on this matter is available, as there is no toxicity in the raw material.
Cause of cancer: As of carbon black;
Carbon black is listed in ‘IARC group 2B’ which is a group ‘possible cancer cause’. Extract is also listed in IARC group 2B. According to the long term environmental epidemiologic investigation through many workers in North America and UK, bad effects to lungs including malignants have not been observed. The category of listing was changed to IARC.
Various causes: No specific data
Genetic toxicity: No specific data

12 Ecological information
Not available

13 Disposal considerations
Dispose of product in accordance with local and national regulations on waster disposal.

14 Transport information
On loading, beware not to break the bags. Pack properly. Avoid water and rough handling.

15 Regulatory information
Follow the local and national regulations on disposing, fire laws, Occupational Health and Safety law and PRTR.

15.1 Labelling (Regulation (EC) No. 1272/2008)
Not a hazardous substance or mixture according to Regulation (EC) No. 1272/2008.

16 Other information
All information contained herein is based on the present state of our knowledge at the date of issue. It is believed to be accurate. It is intended to describe products from the point of view of safety requirements. It should not therefore be construed as guaranteeing specific properties. Under no circumstances is the user exempt from respecting legislative or administrative tests related to the product in terms of safety, hygiene, health and used in accordance with good industrial hygiene practices and according to local regulations.

For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage, or expense arising out of or in any way connected with the handling, storage, use of disposal of the product.

This MSDS is prepared and is to be used only for this product.

If the product is used as a component in some other product, the MSDS information may not be applicable.
